(seal:  
TECHNICAL CHAMBER OF GREECE  
Department of Eastern Crete  
Ref. No: 2597  
Date: 28/12/2015

Heraklion 22/12/2015

**TOPIC: DECISION OF THE ENVIRONMENT STANDING COMMITTEE OF THE TECHNICAL CHAMBER OF GREECE – DEPARTMENT OF EASTERN CRETE (TCG – DEC) IN REGARD TO THE CERTIFICATION STANDARD FOR THE SUSTAINABLE MANAGEMENT AND DEVELOPMENT OF MEDITERRANEAN BEACHES, COSTA NOSTRUM**

Following your presentation of the innovative “**Certification Standard for the Sustainable Management and Development of Mediterranean Beaches, Costa Nostrum®**” to the Environment Standing Committee of the Technical Chamber of Greece – Department of Eastern Crete (TCG – DEC) on 02/12/2015, and taking into consideration the benefits of implementing such a standard to Mediterranean beaches, we would like to inform you of the unanimous decision of the Environment Standing Committee to support your efforts towards the adoption and implementation of said standard by both public and private relevant authorities.

Our primary objective being to serve the interests (social, financial and environmental) of the wider society as well as to promote the environmental protection of Greek beaches, (subsequent to a unanimous decision) we wish to invite all authorities responsible for the financial management of the beaches to adopt and implement the standard for the sustainable management and development of Mediterranean beaches, **CostaNostrum®**.

THE PRESIDENT
